STORIA

La nostra storia ruota intorno alla passione. Innanzi tutto quella che in Webert mettiamo nel nostro lavoro di squadra, che consiste nel creare linee che esprimono eleganza, dando spazio ad un design giovane, moderno ed emergente. Ma la passione per ciò che realizziamo ci porta anche a nutrire un assoluto rispetto per chi sceglie i nostri prodotti. Ai quali il nostro cliente chiede raffinatezza, affidabilità, funzionalità e il giusto rapporto tra ciò che acquista e ciò che spende. È dal 1975 che questi valori ci guidano. Hanno fatto di Webert un'azienda che significa innovazione, qualità e rigore. Sono le caratteristiche che ritrovate anche oggi nella nuova gamma di prodotti per cucina presentata in queste pagine.

HISTORY

The history of Webert revolves around passion. Primarily the passion that we at Webert put into our teamwork, which involves creating lines that embody elegance while providing scope for young, modern and emerging designs. From this passion for our creations comes total respect for the people who choose our products. They demand refinement, reliability, functionality and value for money. These have been our guiding values since 1975. These values have transformed Webert into a hallmark for innovation, quality and precision. And you can still find all these admirable qualities today in our new range of products for kitchen presented here.
